WHAT'S NEW IN LANDSCAPE REPORTS?

For 2022 we will be expanding and upgrading our market leading Landscapes report series to include:

- More volume and value trend data about the wine category as part of total beverage alcohol
- Volume trend split by on-premise and off-premise
- E-commerce sales volumes
- Forecasts to 2025
- More hot topics including packaging, consumer segmentation and premiums
- Plus all the usual Wine Intelligence consumer usage and attitude tracking, including brand health
- Opportunity and Threat analysis
- Wine Intelligence expert view

WHAT'S NEW IN STRATEGIC REPORTS?

For 2022 we will be expanding and upgrading our Strategic Reports to include, where appropriate:

- Volume and value data, by market, with historical trends
- Share of sales by channel
- Enhanced consumer insights
- Larger market scope (typically 10 key markets)
- Forecasts to 2025
